

# RING SIZE CHART

1/ Print this page. Make sure you don't enlarge or shrink the page while printing.

2/ Place one of your existing ring to match one of the circles drawn in the chart. If You are not sure about 2 sizes, choose the bigger one.

3/ When choosing a ring from our website simply select the corresponding size (50 , 52 etc...) from the drop menu on the page referring to the ring you have chosen.
